Renovated apartment with sea views in San Agustín

In San Agustín, you'll find this bright, renovated apartment with sea views, just a stone's throw from Cala Nova. Here, you'll be living in a popular area close to restaurants, cafés and the sea, with Palma within easy reach.

The property is located on the third floor of a building with a lift and features a private south-facing terrace of approximately 12 m². From here, you can enjoy direct sea views and plenty of space to relax in the sun.

The apartment has been completely renovated and offers 2 bedrooms and 1 bathroom. It features a bright living room with dining area and an open-plan, fully equipped kitchen. The living room also has a fireplace. Thanks to the south-facing orientation and large windows, the apartment enjoys plenty of natural light throughout the day.

The building also offers a communal swimming pool, and the communal areas have recently been renovated.

The property is sold fully furnished. A lovely home for those looking for a renovated apartment with a terrace and sea views close to Cala Nova!
