Newly built penthouse with sea views in Nou Llevant

This newly built penthouse is located in Nou Llevant, just a few steps from the beach. The property features a modern design with bright and spacious interiors, as well as generous private terraces. The apartment offers 90 m² of living space, a 21 m² terrace and an impressive private rooftop terrace of 49 m². There is plenty of space for sun loungers, a lounge area and enjoying time outdoors. The property features three bedrooms and two bathrooms, one of which is en suite. There is also a bright living and dining area with direct access to the terrace, as well as a separate kitchen. The apartment is located in a modern residential complex with a communal pool and gym. Additional information: Lift, storage room and two parking spaces included in the price.
