Penthouse in Foners with pool, parking and gym

This penthouse is located in Foners, in a residential building completed in 2022 with a communal rooftop terrace with pool, parking and gym. Here, you'll be close to central Palma and Portixol, with everything the area has to offer within easy reach. The property is located on the fifth floor and offers 84 m². It features an open-plan living and dining area with a modern integrated kitchen and kitchen island. From the living room, you have direct access to a small balcony. The property has 2 bedrooms and 2 bathrooms. The master bedroom features an en-suite bathroom, while the second bedroom is perfect as a guest room or home office. An additional bathroom with shower is located in the hallway. Both the living room and the two bedrooms enjoy plenty of natural light and each has access to a small balcony. One of the highlights of the building is the communal rooftop terrace with a swimming pool and generous areas for sunbathing and relaxing. From here, you can enjoy fantastic views over the rooftops of Palma and all the way to the Bay of Palma. There is also a communal gym for residents on the ground floor. A parking space is included in the price – a great advantage in this central location.
