A perfect family home in Bonanova

In peaceful Bonanova, you'll find this spacious and bright home, perfect for the whole family. The property is conveniently located close to several schools and just 10 minutes from central Palma.

The house offers 409 m² of living space distributed over three floors. It features a fully equipped kitchen, a spacious living room with dining area and fireplace, and an abundance of natural light from large windows. Both rooms open directly onto the terraces through large glass doors, seamlessly extending the indoor living spaces outdoors.

The property has four spacious bedrooms, three bathrooms and a guest toilet. Several of the bedrooms enjoy sea views and direct access to a terrace. The master bedroom also features an en-suite bathroom and a walk-in closet.

Outside, you'll find generous terrace areas, a swimming pool and an outdoor kitchen. On the basement level, there is a garage with space for two cars, as well as additional areas currently used as a home gym and lounge.

The house is also equipped with solar panels, making it almost entirely self-sufficient in terms of electricity.

A fantastic home for the whole family!
