Newly renovated apartment in El Molinar

Bright apartment only 200 meters from the sea and the beach walk in the sought after El Molinar. This property was completely renovated in 2018 and has a bright and fresh interior with wooden floors and natural stone from Mallorca. The apartment is located in a building with only four apartments, and on the top floor we find a communal roof terrace in very good condition and with fantastic sea views.

From the entrance you enter directly into the open living room and kitchen (the kitchen interior is white and the appliances are Siemens). From the living room you reach the three bedrooms. The master bedroom is separate with its own en-suite bathroom and with exit to a small balcony of 2 m2 with sea view, the two other bedrooms are close to the second bathroom. From the kitchen and living room you can also reach the terrace of about 9 m2, where you can do barbecues and enjoy the morning sun.
