Penthouse with two large terraces in San Agustin

This one of a kind penthouse is located on the top floor of a small building with only 6 neighbours in San Agustin. The apartment has a living area of 80 m2 plus two large terraces. The living area consists of two bedrooms, two bathrooms, a fully equipped kitchen with laundry room and a bright living room. The living room has glass sliding doors that open up to a 28 m2 terrace. From this terrace, there is a comfortable staircase that lead to the 100 m2 roof terrace which has been beautifully designed and boasts a private plunge pool. A perfect home for relaxing and/or entertaining with family and friends!

Additional information: hot/cold air conditioning, low consumption radiators, elevator, parking and storage room.
