Rustic finca in incredible surroundings of Alaró

This beautiful rustic newly built stone house is located in the Majorcan countryside at the foot of the mountains in Alaró. Within a 10 min walk you are in the village centre where you find the local shops, cafés and restaurants, yet you are only a 25 min drive from Palma and the airport. The house is built facing south and is incredibly bright and wonderful.

This is a typical Majorcan country house, which is built in a traditional way with local materials from the island, giving it such an authentic charm. The main entrance opens up to a large living and dining room with a spacious and modern fully equipped kitchen. Surrounded by stunning mountains, the large fenced plot of 16,400 m² has olive and carob trees all around as well as a fantastic salt water pool to enjoy on a hot day. The master suite with panoramic views and a modern bathroom with bath and shower is also located on this floor. Upstairs there are 3 bedrooms, 3 bathrooms, 2 of them en-suite and one separate. On this floor there is also another large living room (which could also be converted to a large bedroom), leading to a fantastic sunny terrace.

Additional information: pre-installation for radiators and fireplace, pre-installation for air conditioning, salt water pool.
