Lovely penthouse with large terraces

In San Agustin, in a quiet neighbourhood, you will find this newly renovated penthouse. The property is located at the top of a smaller building with only three floors, and from here it is only a 10-minute walk down to the beach.

The penthouse has a living area of 98 m², with an open-plan layout between the modern kitchen and the airy living room. There are two bedrooms, both with space for a double bed, and two bathrooms, one of which is en-suite to the master bedroom. The apartment is light and airy with a lovely 40 m² terrace running the length of the apartment. Upstairs you reach the private roof terrace of 84 m². From the roof, a small bridge takes you over to the communal pool area.

The property also includes a large garage space.

Additional information: Air conditioning, water purifier, lift, garage, roof terrace and communal pool.
