Newly renovated townhouse in Bunyola

Surrounded by the Tramuntana mountains, in the beautiful village of Bunyola, you'll find this newly renovated townhouse featuring unique original details. The house dates back to 1914, when it was used as a sewing shop, and has now been carefully restored with great respect for its history. The home is full of charm, with exposed wooden beams, parts of the original flooring, and small details that give it character, while offering the highest quality. On the first floor, you'll find the fully equipped kitchen, dining area, and living room with access to your private terrace and pool, facing south. The entire ground floor and all bathrooms have underfloor heating. The second floor is dedicated to two bedrooms and two fully equipped bathrooms, one of which is en-suite. The top floor is entirely devoted to the master bedroom, with its own living room area, a spacious en-suite bathroom and its own private balcony. Palma city centre and the airport are just 20 minutes away by car. Additional information: Heating/AC, underfloor heating.
