

Ref.:MF2888

Newly renovated and spacious duplex apartment in Bonanova

Set within a small community in the Bonanova/Porto Pi area, this stunning duplex apartment features over 200 m² of terrace space and was completely renovated in 2025 - 2026 to the highest standards. Here you'll live in a calm environment with only 4 neighbours, while being only 5 minutes from central Palma by car.

On the first floor, you'll find a modern and fully equipped designer kitchen in open plan to the large living room area. Through floor to ceiling glass doors, you can open up to a large terrace with fantastic views over the harbour and Palma. On this level, you will also find a bedroom which has its own balcony, bathroom en-suite and walk-in closet.

Downstairs, there is a second livingroom that opens up to a terrace along with two bedrooms, both of which has a bathroom en-suite and a dressing room. From this terrace, a staircase leads down to the independent guesthouse.

The renovation made sure that the home has high quality finishes down to the finest details, with a designer kitchen from Cocinart, appliances from Siemens and Miele as well as central heating and air condition. There is also a parking space.
