Penthouse with fantastic views in Bonanova

In Bonanova, you will find this bright penthouse with stunning views over all of Palma, Bellver Castle, and the sea. Here, you live in a quiet and exclusive area while being just a few minutes' drive from central Palma.

As you enter the apartment, you are welcomed by a spacious kitchen and living room with an open-plan dining area. Thanks to the large windows throughout the property, the home is filled with natural light, and from almost every window you can enjoy views of either Bellver Castle, Palma and its cathedral, or the sea. From the living room, you also have access to the terrace, which offers equally spectacular views.

The property features two bedrooms and two bathrooms, with the master bedroom benefiting from an en-suite bathroom. There is also an enclosed terrace equipped with heating and TV connections, which could be used as an office or serve as an extra bedroom if desired.

The apartment has a modern design throughout and was renovated approximately four years ago. The community also provides private parking for residents.
