Spacious apartment in Blanquerna with great potential

In the area Blanquerna, you will find this spacious apartment with great potential to become the perfect city home. Here you live in a fantastic location, close to charming restaurants, bars, shopping, and the central station.

The apartment has a living area of 155 m². The property features a spacious kitchen, living room, and dining area. There is an opportunity to remove walls to create a large open-plan kitchen, living room, and dining area. From the living room, you have access to the terrace, which is approximately 8 m². Next to the kitchen and dining area, there are also two smaller bedrooms that could be incorporated into the kitchen and dining space to create a larger, more open area.

The apartment also offers three spacious double bedrooms and two bathrooms.

The apartment requires renovation but has great potential to become a truly beautiful home.
