7 Newly built designer apartments in Palma

This newly built apartment complex is consisting of 7 high quality apartments, located in a calm area between Son Armadams and Bellver park. Here you live close to all necessary amenities and central Palma.

The aim has been to capture as much of the natural light as possible through the large floor to ceiling windows and doors. Large terraces allow the residents to enjoy inside outside living together with bright and spacious social areas. The materials chosen are of high quality, such as interior floors of natural stone, Silestone countertops in the kitchen and kitchen appliances of Siemens or similar brand. There is a nice communal swimming pool with sundeck and all apartments have at least one underground parking space included.

The apartments offer 2 and 3 bedrooms with living areas from 85 m² to 144 m².

Additional information: underfloor heating, air conditioning, underground parking, communal swimming pool, elevator, storage rooms.

For more information for each property see links below.

For more information about the apartment on the second floor, please see [MFP097A](#)
