Stunning countryside property with 5 houses in Montuiri

This stunning property in the countryside of Montuiri, originally an old Majorcan farmhouse with mill and all that goes with it, has had an incredible transformation with a feng shui inspired atmosphere of five houses in a wonderful setting of beautiful nature and with its lavender and rosemary gardens, this property is not just a home but a lifestyle and has a fantastic location as it is set in nature and built with all the amenities and inspiration of health, wellbeing and happiness, reaching the airport and Palma in 25 minutes by car.

On the large estate, which has 25 hectares of land, there are 5 purpose-built houses, a converted old mill and an annex that has 18 bedrooms and 18 bathrooms. The main house has three en-suite bedrooms, a living and dining area with a fireplace and a central courtyard to enjoy outdoor entertainment. An outdoor cinema, a gym, a wellness area and a wine cellar complete the property.

With a 2.8 km walking trail around the property and a platform for yoga and various pools, this property is not just an accommodation but a lifestyle with all the activities one can do and enjoy on site.

Additional information: Air conditioning, heating, fireplace, several swimming pools, outdoor cinema, 2.8 km walking trail, yoga platform, gym, wellness area, pavilion with stunning views,
