Project with modern apartments in central Palma

Located in the heart of Palma, with an attractive position close to both the Avenidas and the Old Town, this exclusive development is taking shape with a total of 12 modern and stylish residences.

The apartments are designed with bright, open spaces and a well-thought-out layout where the kitchen and living area blend together naturally. The kitchens will be fully equipped with high-quality appliances and elegant natural stone countertops, creating a modern and sophisticated atmosphere.

The penthouses offers a living area of 107 m², with 58 m² rooftop terrace, as well as a 10 m² terrace. The penthouses have 3 bedrooms and will also have two full bathrooms, one of which is en-suite to the master bedroom.

All apartments benefit from large windows that provide abundant natural light and create a spacious, airy atmosphere. They are equipped with both air conditioning and a heating system, ensuring year-round comfort. There is also the option to purchase a private parking space, and a storage room is included.

The development is expected to be completed and ready for occupancy in March 2028.
