Finca with 15 Ha vineyards in Sineu

This rural mansion is located in the beautiful centre of the island, close to the picturesque village Sineu. The finca offers a huge potential to build up your own vineyard. It already has 15 Ha of active production. It is an amazing possibility to launch your own production project, and it can easily provide commercial opportunities. Mallorcaresidencia collaborates with a specialist in vinery and olive plantations. With long experience on the island, they offer full service development, from planting and maintenance of vineyards and olive trees, to creation, management and marketing of exclusive wine cellars and oil mills for extra virgin oil from Mallorca.
