New project in central Palma

Near Pere Garau, a brand-new residential complex with a total of 12 apartments is taking shape. Here you will live close to everything Palma has to offer while enjoying a high level of comfort at home.

This ground-floor apartment has a living area of 100 m², with a 14 m² terrace and a 7 m² garden.

It features a fully equipped kitchen in an open-plan layout connected to the spacious living room with large windows. The apartment will have bright interiors with tiled floors, white-painted walls and ceilings, and large double-glazed windows providing excellent sound and thermal insulation. The kitchen is fitted with modern cabinetry, a ceramic countertop, and appliances including an induction hob, oven, extractor fan, and sink with a single-lever mixer tap.

The apartment offers 3 bedrooms with built-in wardrobes, with the master bedroom also featuring an en-suite bathroom.

There are also two bathrooms, designed in a modern style with tiled walls, showers, elegant sanitary fixtures, and water-saving fittings. All homes are equipped with air conditioning to ensure a comfortable indoor climate throughout the year.
