Luxurious newly built finca in Alaró

Set on a large plot of 15,191 m² in a beautiful natural setting, you'll find this newly built finca with stunning views of the castle and Puig de Alaró. The property combines modern architecture with a warm, Mallorcan feel and offers both privacy and generous living spaces.

The house is distributed over two floors and a basement, with a total built area of over 678 m². It has been designed with soft, organic shapes and natural materials, creating a timeless and elegant home that blends naturally with its surroundings. Large windows and open spaces allow plenty of light to flow through the house and create a seamless connection between indoor and outdoor living.

On the ground floor, you will find a spacious living and dining area, a fully equipped kitchen, a guest toilet and an additional lounge that can be used as a TV room or home cinema. From here, you have direct access to large terraces, the garden and the pool area, perfect for relaxing and entertaining.

The upper floor offers four bedrooms, all with en-suite bathrooms. Each room enjoys beautiful natural light and open views, creating a calm and private atmosphere.

The basement includes a large garage, laundry room and additional storage space. Additional features include air conditioning, underfloor heating and a fireplace.

A rare opportunity to acquire a newly built home in one of Mallorca's most scenic areas!
